

## GREETINGS FROM KEY WEST

### The Best Is Only Getting Better!

We've got plans for you and the first is for you to begin your vacation planning by taking a walk in Paradise. Our new [website](#) is filled with images of all that is Key West. Come on in and stay a while.

We've made way for six new Waterfront Suites and they sit right on the edge of Sunset. The Pier House Sunset Dock has transformed in to our Luxurious Dockside Suites. The final touches are being made for your visit. Reservations can be made for as early as June. Be the first to call **800 327 8340**, you don't want to miss your turn to sip champagne where [Paradise](#) meets the magnificence of Sunset.

Be on the lookout. New in 2008 will be the Pier House Blog. Not only will we update the blog with specials and our favorite things to do in Key West, but you'll be able to tell us your favorites too. Share your thoughts, experiences, and even photos. We look forward to hearing from you!
