

THE PIER HOUSE DIARIES

Introducing Jane Iredale Skin Products

The Caribbean Spa

is pleased to add the Jane Iredale line to its selection of beneficial body and skin products. Both men and women benefit from these products that enhance the health of our skin.

Let our trained staff evaluate which product and color would be the perfect match for you!

ODDITIES, TIDBITS AND NOSTALGIA FROM KEY WEST  VOLUME ONE

Complimentary Color Mapping At The Caribbean Spa

Book any 50 minute body treatment or facial by March 31, 2007, and receive complimentary Color Mapping.

Introduced in May of 1994, Jane Iredale was the first full makeup line to offer not just color enhancement but also benefits to the skin.

The products are based on micronized minerals and are made without chemical dyes or preservatives.

Reservations subject to availability.
Reservations must be made between the dates of February 23-March 31, 2007.
